PTR GROUP ANNOUNCES NEW MARKET MANAGER FOR THEIR ENERGY DIVISION

December 16, 2020 – Wheatland, PA – PTR Group, a multi-company business group manufacturing products for the automotive, compressed gas, electronic, OCTG and OEMs serving a variety of industries announces Cody Wall as their new Market Manager for their customers serving the energy industry. This includes but is not limited to Oil & Gas, Power Generation, Transmission and Renewables.

Cody attended Sam Houston State University and earned his Bachelor of Business Administration in Marketing. At PTR Group, Cody will manage the full scope of PTR's Energy portfolio across all business units.

In his spare time, Cody serves as the Alumni Advisor and Chairman of the Alumni Advisory Board of the Pi Kappa Alpha Fraternity at his Alma Mater. He is also actively involved in the Cranio Care Bears foundation, as his son was born with craniosynostosis. Cody enjoys riding motorcycles and spending time with his wife Ashley and his three sons.

“We are excited to have Cody join our team. His focused knowledge in the energy industry will allow him to provide more solutions for our current and future customers,” stated Phil Moroco, Managing Director of PTR Group. “We look forward to Cody delivering a positive impact for both our customers and business units.”

PTR Group is a multi-company business group that offers customers world-class contract manufacturing of components and subassemblies in metal and plastics. PTR Group is comprised of three companies, which include American Cap Company, LLC, PTR Tool & Plastics, LLC, and ACCI Industries. By joining as a business group, PTR Group can be a single vendor source with multiple plastic and metal product options while increasing customer efficiencies in manufacturing and purchasing.

PTR Tool & Plastics, LLC is a leading supplier of world-class, high-precision thermoplastic injection mold tooling and molded components for the automotive, electronics, aerospace, telecommunications, consumer, and disposable medical supply industries. As a division of PTR Group, American Cap Company, LLC is a global leader in manufacturing compressed gas cylinder accessories and other cylinder components. ACCI Industries is focused on providing long-term, continuous contract manufacturing services for metal components and subassemblies for OEM, industrial, government, and military applications.
